

## TOP TWENTY INVITATIONAL RULES, INFORMATION & GUIDELINES

### I. General

The Top 20 Invitational is a charitable fund-raising event, sponsored by the Irish Setter Club of America Foundation, Inc. The mission of the Foundation is to provide a continuing source of funds to develop and enrich the understanding and fostering of the well-being of Irish Setters through education and scientific research.

The Top 20 Committee shall be made up of the Foundation Officers and Board of Directors who shall appoint a Top 20 Chairperson from said board. The chairperson shall appoint a statistician with approval of the Foundation Chair.

### II. Information and Guidelines

- A. Purpose: To encourage the showing of Irish Setters in conformation classes, and to provide an educational experience for judges, exhibitors, breeders, and fanciers. This event will provide a special recognition to those Irish Setters with the most outstanding records, as well as their breeders, handlers, and owners. It will also provide incentive to strive for Irish Setters excelling in structure, intelligence, type, soundness and good health.
- B. Statistics and Eligibility: There are no eligibility requirements other than being named among the final Top 20 Irish Setters for conformation (Breed Standings). (Beginning 2023, Irish Setters named among the Top 20 conformation All-Breed Standings will be invited) Previous Top 20 Winners are NOT eligible to compete but will be recognized at the event. (Beginning 2023, Previous Top 20 Winners ranked in the current Top Twenty will be eligible to compete)
- C. The Top 20 standings are based on show results provided by the AKC and obtained from the AKC Online Store. The tabulations are collected for shows beginning with the first show in January and ending with the last show in December in each year. The Top 20 Chairperson will be responsible for collecting the final standings from the AKC. The standings and scores are based on Breed Points only with changes in standings to be made when there is a notification from the AKC of an error.
  - 1. All Irish Setters, including any and all ties through the 20<sup>th</sup> position will be invited. Death of a Top 20 candidate will not change the standings. Previous Top 20 Winners are NOT eligible to compete. In the instance that two Irish Setters are tied for one Top 20 position both will receive the ranking even if the total count goes to 21 or higher.

2. Based on AKC's Reports, the Top 5 National Owner-Handled Series Irish Setters (Breed Standings) will be invited to compete in the ISCAF Top 20 Competition. Current Rules and Guidelines will apply. Duplication of Breed Standing and NOHS Standings DO NOT AFFECT THOSE INVITED TO COMPETE. Only the Top 5 NOHS are eligible.
- D. The uniqueness of the event: The event offers all who attend a chance to view "The Cream of the Crop." Using a scale of points, each dog is evaluated according to how closely it conforms to the Breed Standard. This procedure is not available at any AKC point show, and allows the spectator the opportunity to evaluate the Irish Setters, scoring them at the same time they are being judged. The Irish Setters are observed from a positive approach; they are not fault judged. The event is educational, promoting discussion of the Standard, and encouraging the exchange of ideas.
  - E. The judges: Selection of the three judges will be made by a nomination/vote of the owners of the Top 20 Irish Setters. Letters will be mailed to the first owner of record, as of December 31<sup>st</sup>, and owners and co-owners may decide together which judges to nominate. All judge nominees will reside in the ISCA Region that is hosting the event. Owners will vote for one person from each of the following categories. The statistician will count the top 20 judges ballots. Ties for Top 20 judges will be resolved by the statistician drawing between the tied names.
    1. Handler. A Professional Handler, past or present, having at least ten years' experience.
    2. Breeder. An established Irish Setter Breeder or an established Irish Setter Breeder that is also an AKC-Approved judge, who has been breeding for at least ten years.
    3. Multi-Breed AKC-Approved Judge. An AKC-Licensed Judge approved to judge Irish Setters and at least ten other breeds in any group.
  - F. Judges may include anyone eligible to judge but a member of a judge's household may not show in the Top 20.
  - G. The statistician will forward the name of the person with the highest number of votes (in each category) to the Top 20 Chairperson so they can determine eligibility of that person. If the person with the highest number of votes is ineligible or unavailable, the statistician will forward the name of the person with the second highest number of votes. This will continue until one judge is secured in each category.
  - H. Scoring and evaluation: Each participating Irish Setter is individually evaluated by each judge, using a point scale on a score sheet. Half points may be given at the judges' discretion. Score sheets will be tabulated by the Top 20 Chairperson and two other ISCAF Board Members, appointed by the Chair of the Foundation Board. The scores for each Irish Setter are tabulated in the following manner:
    1. The scores for each dog from each of the three judges are tabulated, added together, then divided by three, to determine the "Total Average Final Score."
    2. In the event of a tie, the tabulators will determine a winner by consulting the "Average Placement Score" given by the judges. The Average Placement Score is the judge's first impression of a dog prior to examination, and is based on a 1-10 scale, with 10 being the highest score. This score is ONLY USED TO BREAK A TIE, and is tabulated by adding the three Average Placement Scores together, and dividing by three, to determine the "Total Average Placement Score."
    3. The Irish Setter with the highest "Total Average Final Score," or in the event of a tie, the highest "Total Average Placement Score," is the winner. If two dogs have the same "Total Average Final Score" and the same "Total Average Placement Score," there will be two Top 20 Winners. The

winner of this event will not be announced until the evening of the Awards Dinner. The winner will be announced by the Top 20 Chairperson.

4. Upon the compilation of the ballots and the winner announced, all judges' score sheets will be destroyed.
5. A People's Choice Award will be selected from one of the Top 20 contenders. It will be selected by ballot at the conclusion of the Top 20 judging. Ballots will be distributed to all people who have purchased a ticket and have attended the event. Ballots will be collected at the conclusion of judging. Attendees will mark their ballot with the arm band number of their selection. The People's Choice ballots will be counted by the event committee (minimum 3 people). The winner of the People Choice Award will be announced on the evening of the Top 20 dinner. In case of ties, each will be awarded "The People's Choice" Top 20.
